The custodian of public records for the Polk County Property Appraiser’s Office is Carol Walker (Client Services). All public record requests should be sent to:

Polk County Property Appraiser
Attn: Public Records Custodian
255 N Wilson Avenue
Bartow, FL 33830

PUBLIC RECORDS PROCESS
The process for completing a public records request involves: 1) a review to determine what public records, if any, exist which are responsive to the request; 2) a determination of whether any responsive records may be exempt from disclosure; and 3) analysis to determine the method of collection/retrieval of the requested records.

Ordinarily, our office does not exceed ten (10) business days to complete a public records request.

PUBLIC RECORDS NOTICE
The Public Records Act does not contain a specific time limit (such as 24 hours or 30 days) for compliance with public records requests. The standard is the limited reasonable time allowed to retrieve the record(s) and remove those records that are exempt. If the nature or volume of public records requested to be inspected, examined, or copied is such as to require extensive use of information technology resources, or extensive clerical or supervisory assistance by Property Appraiser personnel, charges may be assessed, which are to be reasonable and based on the cost incurred for the extensive use of such resources of labor in furnishing or copying the information requested. The Public Records Act is fully outlined in Florida Statute Chapter 119 at the following link: http://www.leg.state.fl.us/Statutes
